PERSIANA SLIDE
ORIENTATION MILANO

PERSIANA **SLIDE ORIENTATION** MILANO

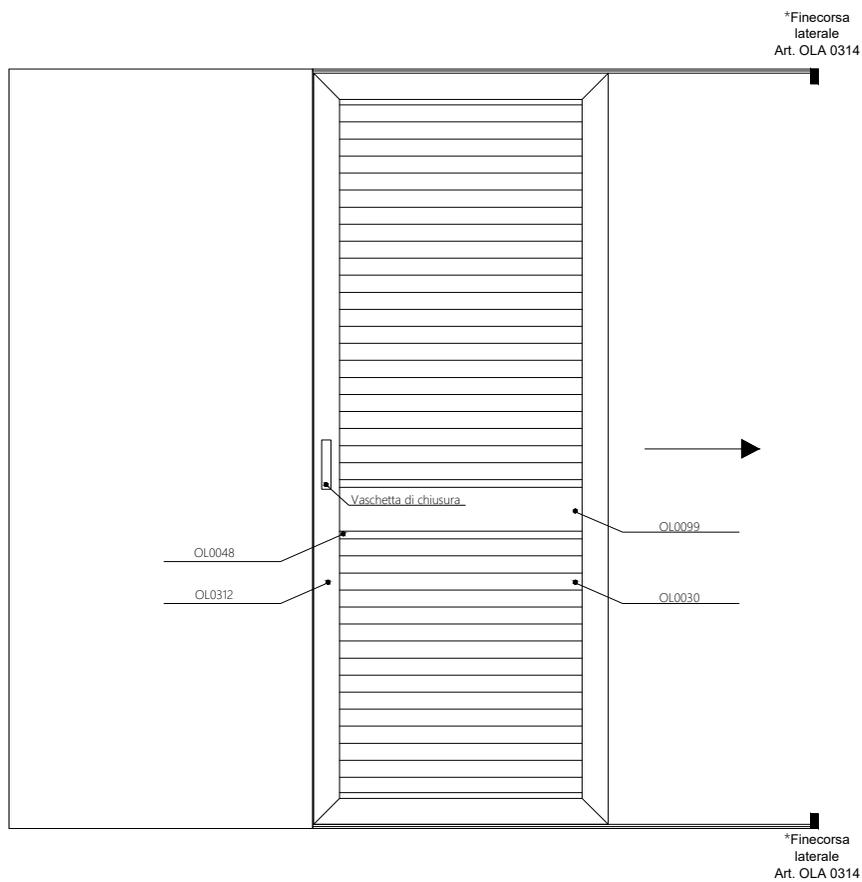

La nostra persiana scorrevole interno muro nasce dall'esigenza di alcune aree geografiche del territorio. Il sistema consente di mascherare la vecchia guida scorrevole in acciaio, facilitando l'installazione della nuova persiana senza eseguire nuove opere murarie.

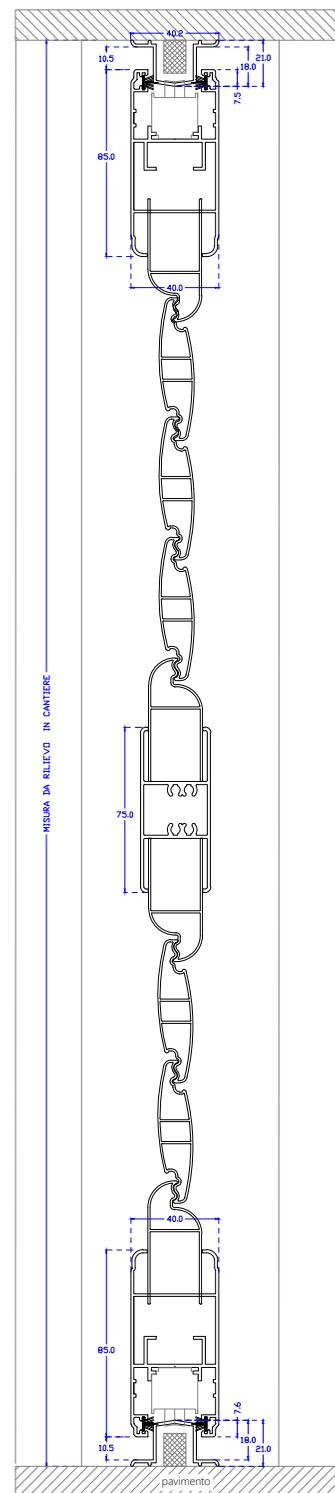

E' possibile realizzare persiane ad una e due ante, con lamelle fisse o orientabili, l'apertura è ampiamente personalizzabile, dal modello standard con vaschette di chiusura a incasso, a i modelli personalizzati con chiusura ad incasso con chiave o kit fast look con martellina doppia o singola o cilindro europeo a 5 chiavi.
